

We asked the entire staff of North Star Elementary if they would please fill out a little questionnaire about a few of their “Favorite Things” ... and we are thrilled with the participation! *Thank you!*

It is our hope these lists serve as a helpful reference not only to our devoted and caring staff members, but also to our North Star Elementary families (available digitally) in case they are looking for a thoughtful way to show their appreciation and support throughout the year. 😊

You are all such a family here and have lifted each other through many experiences over the years. From the newest team member - all the way to the most seasoned veteran, we hope you find these “Favorite Things” lists both FUN and THOUGHTFUL while you continue to get to know and treat each other with little goodies from time to time.

*“A small group of thoughtful people could change the world. . . .”*

Kindest Regards,  
Your PTA
