

We asked the entire staff of North Star Elementary if they would please fill out a little questionnaire about a few of their “Favorite Things” ... and we are thrilled with the participation! *Thank you!*

It is our hope these lists serve as a helpful reference not only to our devoted and caring staff members (they have an at-a-glance binder now in their staff lounge to look through), but also to our North Star Elementary families in case you are looking for a thoughtful way to show appreciation and support throughout the year. 😊

From the newest families in our school - all the way to the most seasoned veterans, we hope you find these “Favorite Things” lists both FUN and THOUGHTFUL while you continue to get to know and treat each of your favorite NSE staff with little goodies from time to time.

*“A small group of thoughtful people could change the world . . . ”*

Kindest Regards,  
Your PTA
