

Dear Parents:

Welcome to the **2023 North Star Multicultural Carnival & Basket Auction!** This event is the main fundraiser for school support. Proceeds of the event will go to PTA sponsored school programs such as:

- Ongoing development of our outdoor spaces
- Funding for staff support
- Student academic leagues
- Assemblies, family events and much more!

The Basket Auction Basics:

- Themed baskets will be created by parent volunteers with the funds donated. Due to the uncertainty of donations, we will decide the number and theme of baskets after donations come through.
- Every child from the top earning class from each grade wins 10 tickets that can be used for the basket raffle.
- Previewing of the baskets will be in school. Baskets will also be on display at the Multicultural Carnival, and tickets will be on sale to attempt to win a basket.
- Basket drawings will be done after the carnival. You do not need to be at the carnival to win.

We are asking for donations that will be used to purchase the items for all themed baskets. Let's have fun creating really fantastic baskets for our school that both students and parents will want to win.

If you have a service or item that you can donate to our baskets or silent auction event please contact **Sheri Rosenthal Laratonda** at sherilaratonda@gmail.com or **Bonnie Principe** at bonnie.principe@gmail.com.

Please retain this form for tax purposes. The North Star Tax I.D. is 57-1220394. *Donations can also be made online by scanning our QR code:*

* Please note only monetary donations count towards class totals.

Student Name	Teacher/Room	Amount
