

VOLUNTEER FORM

Whether it's showing up, sending in supplies, or- let's be honest- shelling out cash, we would love to know how you want to be involved at North Star Elementary School. Our PTA is awesome (tooting our own horns here), and we plan, host and staff so many events throughout the year that benefit our amazing students, our dedicated staff and our community.

YOU are what makes that possible!

Take a look at some of the things that will be happening this year at North Star and let us know how you might like to be involved. We will reach out to you when we need a hand, and if you're still interested you can let us know! Extra brownie points for parents willing to spend time dressing up as our school mascot, Polaris....who dances, poses for photos and shows up at most of our events...

Thanks in advance...it takes a lot of hands and a lot of hearts to make a great school. And we're really excited for you to be a part of that!
