

Dear North Star Families,

Our teachers have made a concerted effort to streamline our students' back-to-school supply lists and achieve greater consistency across grade-levels. As a public school district, our school has a responsibility to provide our students with the necessary tools and supplies to be successful in their learning. Of course, your assistance in this area is always appreciated. The items listed on our grade-level lists will be personally consumed by each individual student. If you are so inclined, please consider preparing your child with the items listed. Beyond these basic supplies, often times, families ask if there are materials that they can contribute to their child's classroom. A list of classroom specific items, which would be enjoyed as shared resources by all students, will be available at our Meet the Teacher event.

Please note that backpacks with wheels do NOT fit into student lockers.

Please be sure to label your child's school supplies with their first and last name.

All kindergarten, 1st, and 2nd grade students should send in an extra change of clothes (shirt, pants, underwear, socks), labeled in a Ziploc bag. The clothes are just in case the children have bathroom accidents, lunch spills, mud from outside, bloody noses, etc. They will keep the clothes in a bag in their locker. Teachers will send these extra clothes home to be updated as the seasons change to account for temperature variations and growth spurts!
